A farmer-owned cooperative since 1988, Organic Valley is rooted in a mission to nurture healthy communities and ecosystems.

Their dairy, eggs, and produce come from family farms that prioritize animal welfare and sustainable practices.

Choosing Organic Valley means supporting farmers who care for both the land and future generations.

Bell & Evans has set the standard for humane, natural poultry since 1894.

Known as the pioneer of the organic chicken movement in the U.S., they prioritize animal welfare, air-chilling methods, and never using antibiotics.

Their commitment to quality means every product is crafted with care from farm to table.
