HOPWTR

HOPWTR is a refreshing, alcohol-free sparkling water infused with hops and adaptogens.

Designed for moments when you want to unwind without alcohol, it delivers subtle hop flavor without bitterness or calories. HOPWTR is zero sugar, zero calories, and brewed with calming ingredients like ashwagandha and L-theanine.

The result is a clean, crisp beverage that supports balance and relaxation. It's a thoughtful alternative for Dry January and beyond, offering a social, functional drink without compromise.

Zoup!

Zoup! is built on the belief that great food starts with great ingredients. Crafted from slow-simmered bones, vegetables, herbs, and spices, their broths and soups deliver deep flavor without shortcuts.

Zoup! uses clean, transparent ingredients and avoids artificial additives, preservatives, and unnecessary fillers. Their products are kettle-cooked for richness and consistency, making them both nourishing and comforting.

Whether sipped on their own or used as a cooking base, Zoup! offers a simple, wholesome way to support wellness—especially during colder months. It's real food, made the right way.

ORGANIC PRAIRIE®

FARMER-OWNED

Organic Prairie is a farmer-owned cooperative dedicated to regenerative agriculture and ethical food production. Their meats are raised without antibiotics, synthetic hormones, or artificial additives, prioritizing animal welfare and soil health.

Organic Prairie supports small family farms and sustainable practices that protect ecosystems for future generations. From pasture-raised beef to thoughtfully produced deli meats, their products reflect care at every step.

Transparency and environmental responsibility are at the heart of their mission. It's meat you can feel good about—raised with respect for people, animals, and the planet.
